Muhammad Aqib Saleem

House# SN-622, Madina Market, Dhok Kala Khan, Rawalpindi. | 03319283006 | aqib.saleem192@gmail.com

Summary

I am an innovative software engineer with 3 years of experience managing all aspects of the development process for current Employer. During this time, I have had the opportunity to serve as a member of software development teams, through which I was able to develop strong communication skills as well as a good appreciation for the collective strength of a workgroup. UAT of different projects allowed me to interact with international clients and learn client handling skills.
